Change Her Life. Invest in Her Future.

The Women's Foundation of Colorado is inspired by the power and potential of women and girls to transform their lives and lead Colorado into the 21st century. We are not your typical foundation. We leverage our granting dollars with research, education, and advocacy to drive change now and into the future.

- **Invest** in her future. Help every woman and girl in Colorado achieve equality and economic success.
- **Create** opportunities that power her mind, raise her earning potential, and provide for her children.
- **Join** others who want to empower women and girls. When you lift women and girls, you lift their families and entire communities.
- **Build** a strong and just Colorado that dares to think big and make meaningful change.
